Laurentis 2 Group Espresso Machine

Used, in good working order. Normally used \$2595.

Used \$2000

Air pot, Eco-Air, 2.2 liter (74.4oz). This air pot has a smooth body with a glass-lined, lever style. This air pot comes insulated. It comes in stainless steel with a black top. Never run out of coffee again-keeping you, and your customers, happy. This air pot holds heat for 6-8 hours. Hand washable. New from \$150

**Used \$75 each**

This item can sit on most 12 cup brewer warming plates. The brew-thru lid has a little ball that floats when the coffee is flowing into the server. When the batch is brewed, the ball drops down to keep the steam in. The bail handle is like a bucket handle. It is more expensive than the handles that are stationary, but is easier to carry. Model 1GPR-FF The FF is for the fast flow faucet. Holds 1 Gallon of Hot Coffee or two 12 cup pots of coffee. Portable Bail Handle can take it to any location. New \$128

**Used \$65 each**

**BUNN Dual Coffee Brewer**

Works Perfectly! Extra: Has Hot Water Tap! Stainless Exterior Automatic Brewing Electric 120 (Commercial Cord included!) NSF / UL / EL Approved. Brand Bunn Model: Dual Retail Price Over \$1600

**Used \$600**

Vintage Hanson Utility Scale. For display use only is not calibrated.

Used : \$25

The 2 lbs MD 50 Coffee Grinder (MD 50 ST) from Rancilio is a simply phenomenal, semi-automatic coffee grinder. As any coffee or espresso connoisseur will tell you, a top-quality coffee grinder makes all the difference when it comes to brewing remarkable, consistent coffee and espresso, and the MD 50 is one of the absolute grinders money can buy. It features 64mm flat-wheel grinding burrs that produce dramatically more even and consistent grounds than any grinders with blades. The MD 50 can grind up to twenty pounds per hour and also comes equipped with step less grind adjustment so that you can hone in on just the right grind profile, even if it may have been between steps on another grinder. Features: 64mm (2. 5") flat-wheel grinding burrs, 2. 2 lbs. bean hopper capacity, Stainless steel and die-cast aluminum construction. New from \$1050.

**Used \$525**

Use this Bloomfield 8543-D2 Koffee King in-line pourover coffee maker to brew all of your best-selling blends! This model boasts a unique sprayhead design to agitate the coffee grounds during brewing, resulting in a rich, full-bodied taste in every cup. One warmer below the brew basket and another on top let you hold two decanters at just the right temperature for serving, and its pourover design eliminates the need for a water line connection. Includes 1 coffee decanter with stainless steel bottom.

- Easy to clean stainless steel construction; 1-piece stainless steel water tank
- Easy access design for simple maintenance
- Ready to brew light indicates when the machine has reached the proper water temperature
- UL and NSF Listed; 120V, 1700W, cord and NEMA 5-15P plug included
